

VR-B1

The VR-B1 pickup gives you the original 60's vintage sound for the Jazz style bass player. The pickup has a punchy low end and a bright, clear, smooth top end that has been a tradition of the early vintage single coil sounds.

The VR-B1 pickups are carefully made with heavy Formvar copper wire, Alnico 5 pole piece magnets, a fiber bobbin and cloth covered wire.

Equipped with 2 wire leads!
