

VR-P90

You want a true smooth and clear vintage sound; try our version of the P-90! The bridge pickup features a higher output to enhance the clean and rich sounds!. It is available in the popular Soap Bar casing!. The VR-P90 pickup is carefully made with 42 AWG heavy Formvar copper wire and bar type Alnico 5 magnets plus 2-conductor braided shield wire. The coils are wax potted for stabilization to insure the complete, clean reproduction of sound.

Equipped with 2 wire leads that give the player many tonal possibilities!.
